CBD Oil

Full spectrum CBD oil

Labocan CBD Oils harness the therapeutic influence of hemp-derived CBD, bolstering the body's well-being and encouraging a balanced state. Independently tested, and available in a variety of concentrations and carrier oils, you can trust Labocan to deliver market-leading white-label CBD oils.

Full spectrum CO₂ extracted CBD oil

CO₂ hemp extract is at the heart of Labocan's success. Drawing upon unrivalled expertise and utilising organically grown hemp and cutting-edge equipment, we deliver the purest, safest, and most effective CBD. All CO₂ hemp extract is FSSC22000 certified, THC-free, and supported by independent analysis.

BROAD SPECTRUM

A broad spectrum of cannabinoids and terpenes ensures an improved experience thanks to the entourage effect.

THC-FREE

Free of THC, you can have complete confidence that our CBD oil is fully compliant with global regulations you to shine through each and every day.

ACTIVE CBD

Pure and decarboxylated, our CBD is ready to be incorporated into a vast range of product categories you to shine through each and every day.

NATURAL TERPENES

These aromatic compounds work in harmony with CBD to provide maximum benefit.

PURIFIED

Highly advanced CO₂ extraction ensures our oils are unrivalled when it comes to purity—zero unwanted additives or chemicals.

BATCH ANALYSIS

Labocan doesn't just claim to have the purest CBD; we prove it by publishing a detailed and independent analysis of every batch.
